Effortless Mediterranean elegance for an outdoor celebration

We're celebrating outdoors in the Alentejo countryside — warm sunshine, open air, music, and a relaxed summer atmosphere.

We want everyone to feel comfortable and like themselves.

These images reflect the spirit of our celebration and may serve as inspiration — not expectation.

The main celebration will take place on a dance floor and deck, with surrounding gravel paths and natural terrain.

Comfortable footwear with stable or thicker heels is recommended.

Summer days will be warm, while evenings may become cooler — a light jacket or shawl may be lovely after sunset.
